TRAIN HOBBY PUBLICATIONS¹ Still Available:

LOCOMOTIVE "Victorian Railways" "C" Class Clyde—E.M.D. Diesel Electric Locomotive (A Complete Photographic profile edited by Graeme Pantlin, John Berry & John Sargent)

December of 1997 saw Train Hobby Publications release their first Locomotive profile book, fittingly then on recently retired "C" Class. That it was to be restored some ten years later by the Seymour Railway Heritage Centre saw yet another Train Hobby Publication on the mighty "C" Class. It has now been returned to service with runs to Sydney & Adelaide and The Railfan Shop still stocks this sought after book.

ALSO Part 2 is Dedicated to the Restoration of "C 501" by the Seymour Railway Heritage Centre.

Locomotive Profile-Victorian Railways "J" Class Consolidation 2-8-0 Light Lines Locomotive.

Author: (Photographic profile edited by Billy Lewis & John Sargent)

Descr: Consisting of 48 pages of full colour photographs, this volume adds to the pictorial history of the Victorian Railways steam locomotives which have been issued in this series. Featuring the serviceable "J" Class locomotives as they journeyed over many parts of the V.R. system from the late 1940's to the very early 1970's, with many photographs taken on now long closed branch lines over which these locomotives operated. All photographs are fully captioned, with a brief history of the "J" Class is also included. A must for any Victorian STEAM locomotive fan!!

THE GHAN: Australia's Grand Rail Journey the topic everyone seeks is now available. By Ian Grady & Don Fuchs. An extravagant production on this sort after line Adelaide to Darwin via the Red Centre & Top End. See the famous icons of the Outback and backroads that mainstream tourism has bypassed. The brilliant photography of Don Fuchs delivers it all in amazing colour. Ian Grady's absorbing text follows the Ghan across the continent from Adelaide, stopping at the Alice & Katherine and finally pulling into Darwin.

DVDS STILL IN Store

Rail Around Queensland - Out Of Dalby

The Excellence of the Rail Around Queensland series continues with Out Of Dalby. This documentary takes us on a visual journey through the history of the Branch lines to Glenmorgan, Jandowae and Bell, as well as the Main Western Railway from Bowenville to Macalister. Steam, Diesel and Railmotors can be seen, and one of the special features includes a "seamless journey" from Macalister with a coal train bound for Brisbane. Numerous class Diesels make the journey, and the sequence even includes "driver-cam" footage.

Along the Lines Volume 2—Passenger Trains in Victoria

This Rail Media production focuses on passenger units in Victoria with footage of current rolling stock in both suburban and country networks. Hitachis, ComEng, X'Trapolis, Siemens; as well as the last regular locomotive hauled commuter trains are all featured. Melbourne's unique tramway crossings where trains and trams meet is another specialty of this very detailed look at the Victorian loco scene.

NEW, NEW, NEW—Puffing Billy Book—Spirit of the Dandenongs by Nick Anchen

The full history of the 'little train', the Upper Ferntree Gully to Gembrook Railway, plus a description of the Whitfield, Beech Forest and Walhalla narrow gauge lines. A factual tribute to the heroic people who saved the Puffing Billy from extinction; with information on its current operations. Includes a complete description of 'Puffing Billy country' together with a detailed guide to all line-side features; as well as a history of each location along the railway line. The book also includes information on the unique forest habitat and wildlife of the Dandenong Ranges; and last but not least—information on all Puffing Billy rolling stock is complemented by the photographs.
